OUR SERVICE:

Relieves you of all the disagreeable features of real estate ownership. We rent or lease the property, call for and collect the rents on the days they become due. Arrange for janitor services, decorating, heating and general repairs. Make payments on mortgages, taxes, water and insurance and mail you a statement on the 10th of each month covering the receipts and expenditures for the previous month.

Our service really costs you nothing as we are able to select tenants able to pay the rent suitable for the type of property you own. Decorators, painters, plumbers, etc. get a large volume of work from us and quote the lowest possible prices consistent with good workmanship and service.

WE ARE NOT IN THE INSURANCE OR GENERAL REAL ESTATE BUSINESS. JUST
